

# THE STORY OF THE CONVOY TO OTTAWA

*"They will hear the thunder, long  
before they see the lightning."*

## **UNITED WE ROLL:**

**THE REBEL JOINS HUGE PRO-  
PIPELINE CONVOY TO OTTAWA**

**The #UnitedWeRoll convoy was a massive caravan of heavy-duty trucks travelling across Canada, taking a pro-pipeline, pro-jobs message right to Justin Trudeau's doorstep in Ottawa.**

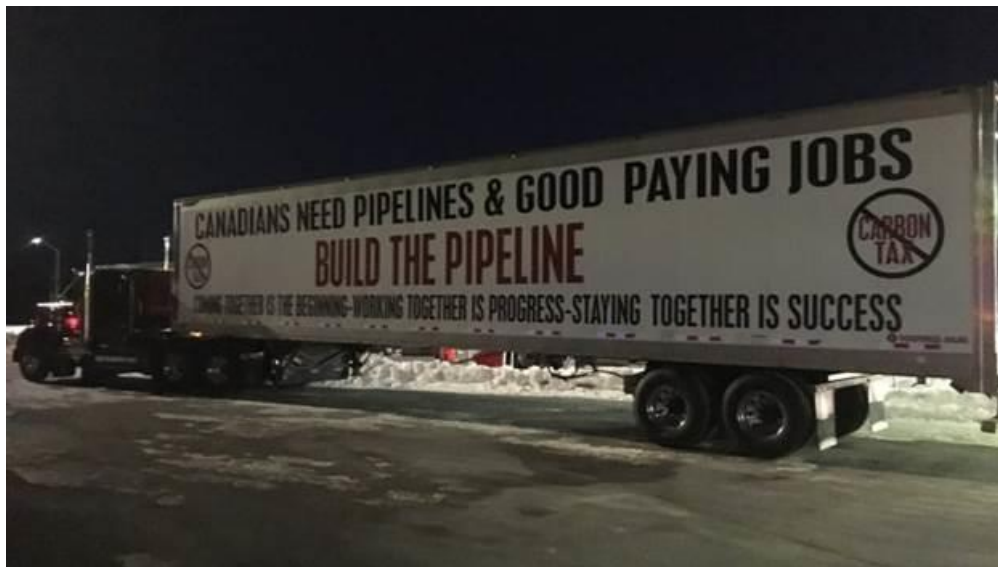

**This #UnitedWeRoll movement was Canada-wide. Every small town along the way had supporters standing on the side of the Trans Canada Highway, waving and cheering their support.**

**It's 100% grassroots — ordinary people have crowdfunded the trip, and everyone aboard was a volunteer. Along the route, local merchants give us courtesy discounts on everything from pizza to gas. It was amazing.**

**This convoy isn't asking Ottawa for a hand-out, or a secret favour, like SNC-Lavalin. They just want to be able to go to work, so they can provide for their families.**

**This is truly a convoy of unity. Rarely do you ever see such unanimous, national support for a movement here in Canada.**

**LISTEN TO EACH SEGMENT AND FEEL PROUD TO BE A CANADIAN PATRIOT !**
